2022 was a Good Year for the Lord's Work

A couple of years ago we started using the January and February newsletter to give the readers a complete overview of things that happened over the last year. This has been a great way to keep everyone updated. We are doing that again this year, but first, Cuba.

Lacey Darnell & Julie Hadley were able to make their trip to Cuba. They took two laptops, 3 cell phones, study Bibles, and a suitcase full of medicine. Zane will be going to Cuba in March and would like to take 8 more phones, 6 laptops, medicine, and Spanish study books.

While in Cuba Lacey and Julie met with Rolando and Isis, went to church and witnessed 3 baptisms. Praise God!

2022 was a Good Year for the Lord's Work

Patrick Lewis, Liberia-

Greetings come to you in the precious name of our Lord and Savior Jesus Christ. Thanks be to God Almighty for His loving Grace He has restore upon mankind the forgiveness of sin through His son, Jesus Christ.

Also thank you for always mentioning me in your prayers and your kindness and goodness for your great and meaningful financial contributions that you can always send for me and the work of my ministry here in Liberia, West Africa. Especially the Virginia Community Church of Christ and the Proposed Arthington Christian Church. which will be a focus point for more Evangelism 2023.

Also, cash crops such as orange trees, cocoa and banana trees will be planted in Arthington 2023 by God's Grace. Three acres of land was purchased in Arthington for that purpose.

I usually visit Arthington two times a month for evangelism. I also have some orange trees and cocoa trees on nursery and avocado trees as well as some activities of 2022. I also planned to build the Arthington Christian by 2023.

I pray to go to other parts of Liberia for evangelism in 2023, such as Buchanan, Grand Bases County, and Nimba County or even visit some West African countries such as Ivory Coast and Sierra Leone by God's Grace.

The Church work is going on as we are carrying on evangelism, conducting Bible Studies, every Wednesday 5:30 PM, Prayer meeting every Friday, Tarry is held on the last Friday every month. The last week in March 2022 three days of revival was held. There was a joint convention held in Bong County, Liberia West Africa, by the New Testament Churches of Christ (White Field Liberia 2022).

Suman Singh, India-

I send you greetings in the name of Jesus Christ our Lord. Church family, my fellow-preachers and my family are good, serve the Lord and faithful and loyal to the Lord Jesus Christ. I visited a tribal village in remote place and had a gospel meeting recently. A few people obeyed the gospel and were baptized into Jesus Christ. I thank God for the precious souls and please pray for them to be faithful to God. I had a meeting with 10 preachers who are blind physically at a far away place a few months ago. I distributed clothes to them and helped each one with a small amount of money. This is a wonderful work. I was able to help them with support from White Fields.

I would like to share a testimony for the glory of God. A Christian couple were attacked by Hindu fanatics at a village. The couple were Hindus and accepted Jesus Christ as their personal Savior couple of years ago. They are faithful Christians, but some Hindu people tried to harm them and warned them to denounce Jesus Christ and not to go to the church. They could not attend the church for a few weeks. We prayed for the couple and their children and God answered all our prayers. They attend the local church without fear now. Please join me to give thanks and praises to God for his goodness and protection over the Christian family. This is the greatness of Jesus Christ.

Our school is running in a smooth way. The teachers and pupils are good. We teach them the Word of God besides academics. God enabled us to give away Holy Bibles to Christians and non- Christians who couldn't afford to buy one. We managed to conduct gospel meetings, preach the gospel and baptize many souls for the Kingdom of God at many places after the pandemic situation. Thanks be to God who enabled us to work in 2022. This year I and our village preachers have given 356 baptisms.

Rey & Cheery Abesio, Philippines-

Rey and I have been through a lot of things in our work in the Island ministry this year. We have been serving two churches in different islands. The focus of our work in the Island ministry is sharing the Word of God. Rey usually preaches about Christian Living, Revival Sermons, Soul winning, and Encouragement sermons. We have our outreach in Children ministry like feeding programs, retreats, camps, and lessons. We are so blessed that we can share the Bible story to the children. Our outreach in Talima church bought land, 344 square meter we have paid off the land. Every Sunday we have a house church worship. We had 55 baptisms. To God be the glory.

We need bibles also for the newly baptized. During 2022, we received money from IDES to rebuild the Calituban church building that was destroyed by a typhoon. We also held family camps and attended the Christian convention.
